The general policy of the Department is to promote the well-being of all who have held His Majesty's Commission, and of their wives, widows and dependants; to relieve distress from causes arising out of the War so far as funds permit and, wherever possible, to make the recipient of relief self supporting. Applications for assistance are also dealt with from disabled ex-nurses of the Pensionable Services. The Association has free Legal and Financial advice and Claims and Pensions Bureaux, and a Clothing Store at London Headquarters, and an Employment Bureau for ex-officers and their sons and daughters at 20, Grosvenor Gardens, London, S.W.1.

The Association endeavours generally to co-ordinate the activities of the various societies which are in existence for the benefit of ex-officers and their families.

Officers are invited to become Subscribers, Annual Subscribers, and Life Subscribers to the Officers' Association. The Annual Subscription is 10s. 6d.; Life Subscription £5 5s.

All units and individual officers are invited to subscribe, and cash donations as well as gifts of clothing of all sorts will be gratefully received.

# THE ROYAL AIR FORCE BENEVOLENT FUND

(For the help of all ranks in memory of those who died serving)

Head Office : 14 EATON ROAD, HOVE, SUSSEX

Telephone 1—HOVE 3992

Patron : HIS MAJESTY THE KING

President : H.R.H. THE DUCHESS OF KENT

Chairman of Council : The Rt. Hon. LORD RIVERDALE, G.B.E.

**T**HE ROYAL AIR FORCE BENEVOLENT FUND was established in October, 1919, to commemorate the work of the Flying Services during the War, 1914-1918.

A Memorial to the Officers and Men who fell in the War was unveiled on the Thames Embankment in 1923; a home and school for the sons of deceased Airmen was established at Vanbrugh Castle, Blackheath, in 1921 and with the Wakefield Wing opened in May, 1939, accommodates 67 boys. In 1943 grants in aid amounted to £89,404.

The object of the Fund is to assist all ranks, past and present, of the Royal Air Force, and their dependants. It must be prepared to help :—

**The disabled, and the dependants of those killed flying.**

**Other casualties and their dependants.**

**Sufferers on account of sickness and general distress.**

Since the inception of the Fund in 1920, in which year help amounted to £919, expenditure has risen increasingly, and in the twenty years of its existence, a total of £468,099 has been provided on all forms of relief.

The Royal Air Force Benevolent Fund exists for a Service that trains as well as fights in the air, and provides relief for cases arising from casualties in war as well as from flying accidents and ordinary distress in peace. It must therefore be prepared to render help indefinitely.

Moreover the Royal Air Force is growing to tremendous proportions, and it consequently must follow that the demands upon this Fund in years to come will be great.

The Council trust therefore that the Service and general Public will respond generously and unremittingly to their appeal, and so enable the Fund to continue its increasingly valuable work of the last twenty-three years.

## How to send Help

## KITCHENER MEDICAL SERVICES SCHOLARSHIPS

Medical services scholarships are awarded from time to time (a) to the sons of officers and men, or of ex-officers and men, of the Regular Forces or (b) to the sons of officers and men, or of ex-officers and men, of the Reserve and Auxiliary Forces who served in the Great War, for the purpose of assisting them to take a course of study to qualify themselves to practise medicine and surgery with a view to obtaining regular commissions in the Medical Services of the Navy, Army or Air Force.

The scholarships are strictly limited in number and the value of each scholarship (normally within a maximum of £200 a year for six years) is dependent on the financial resources of the candidate's family. The scholarships are granted on the condition that the scholar, on becoming qualified to practise medicine and surgery, will apply at once for a commission in the Medical Branch of the Royal Navy, the Royal Army Medical Corps or the Medical Branch of the Royal Air Force and that, if granted such a commission, he will render not less than five years' actual service on full pay.

Candidates must normally be over 17 and under 20 years of age on the first day of January preceding their applications.

Further details may be obtained on application to :—
